

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF GALLATIN COUNTY)
WATER DISTRICT FOR AN INCREASE IN) CASE NO. 93-244
ITS TAP-ON FEE)

O R D E R

On July 30, 1993, Gallatin County Water District ("Gallatin County") filed an application with the Commission for authority to increase its 5/8 x 3/4 inch meter tap-on fee from \$340 to \$500, and to add the provision that the charge to hook up meters larger than 5/8 x 3/4 inch will be done at actual cost "plus 15 percent for overhead."

Gallatin County has provided evidence of the individual expenses incurred to provide the service associated with the proposed charge. Regarding the tap-on fee for meters larger than 5/8 x 3/4 inch, the Commission considers overhead to be part of the actual cost to install a meter. After reviewing the evidence and being sufficiently advised, the Commission finds that the proposed charge is equal to the expenses incurred to provide the associated service. It further finds that the proposed charge as set forth in the Appendix to this Order is fair, just, and reasonable, and should be approved.

IT IS THEREFORE ORDERED that:

1. Gallatin County's request to increase its 5/8 x 3/4 inch tap-on fee from \$340 to \$500 be and it hereby is granted.

2. The charge in the Appendix to this Order, which is attached hereto and incorporated herein, is approved for services rendered on and after the date of this Order.

3. Within 30 days of the date of this Order, Gallatin County shall file its revised tariff sheet setting forth the charge approved herein.

Done at Frankfort, Kentucky, this 24th day of August, 1993.
